Memphis falls to Miami in women's rugby division championship, 34-12

Memphis Women's Rugby hosted the USA Rugby South Women's Division II Championships Saturday and Sunday, Oct 4-5, at McBride Rugby Field in Tobey Park. The four best DII teams in the South (Memphis, Miami, Orlando, and Charleston, SC) competed for the regional title, and the top two teams will advance to the National Championships on November 8. The Memphis women placed 3rd and 4th at this tournament in the past two years, and again ended the season number three in the division. Regardless, the Memphis Water Pirates had an excellent season, beating several higher-ranked Division I teams, and coming away with a 7-1 record.
